Good morning, as a follow up to this question I confirmed [REDACTED]
[REDACTED] at risk pay for 2017-18 and for [REDACTED] retro pay for the EX rates that were recently announced. As part of the PPP Canada dissolution on March 29, 2018, INFC agreed to process this once it is ready. I've also confirmed that the OiC has not yet been issued so there is no further action required on our parts at this time.

Best
Nicole
